

The Time To Buy Buggies

The time to buy is not so important as the place. We sell a line of buggies that have proved their worth right in this locality. We have handled them for years and never heard a complaint. There are other buggies, of course, but what is the use of experimenting,—we guarantee our work and are always right here to make good at any time. We are also ready with a complete line of....

His Last Hope Realized.

[From the Sentinel, Gebo, Mont.]
In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping up on his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Grant Holden.

NOT A LUXURY.

[From the Salem, Oregon, Sentinel.]
About twenty years ago persons who were privileged to hear Edison's first crude phonograph thought it a wonderful thing, but little did they dream that these machines in improved and perfected form would within a few years be available to every home. Then the records were made on tin foil and it was impossible to preserve them. Later the recording was done on wax and by delicate handling the records were good for considerable service. Today the records are perfect, being molded from hard wax. With proper handling they will last for years. The Columbia Phonograph Co. is turning out first-class graphophones so cheap that no family can afford to do without the pleasure and satisfaction of owning one. The writer has had one in his family three years and looks upon it as a necessity rather than a luxury.
Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by Grant Holden.
